AFFIDAVIT OF LAW ENFORCEMENT AND PUBLIC OFFICIAL NON-RESPONSE

I, John Robert Fouts, being of sound mind and competent legal capacity, hereby declare under penalty of perjury under the laws of the United States and the State of Kentucky that the following statements are true and correct to the best of my knowledge and belief:

---

1. Attempts to Report Criminal Conduct and Obstruction of Rights

Beginning in early 2025 and continuing through the present date, I have made repeated good-faith attempts to report criminal activity, property sabotage, medical interference, unlawful surveillance, and civil rights violations involving both myself and my minor child, JAF.

A. Law Enforcement Agencies Contacted:

- **Jeffersontown Police Department (J-Town PD):** Refused to take a report or issue a case number when I attempted to report ongoing criminal conduct affecting my personal safety, digital privacy, and property integrity.
- **Kentucky State Police (KSP):** Also refused to take any report, referring me back to local jurisdiction or federal agencies despite my whistleblower protections and ongoing federal litigation, and the officer responding even refused to provide name and badge number.
- **Louisville Metro Police Department (LMPD):** Stated on repeat occasions that the incidents I described were outside their jurisdiction, despite occurring within Louisville and affecting a local residence.

At no point did any of these agencies accept jurisdiction, create a formal record, or offer follow-up procedures – just outright refusal.

---

2. Attempts to Contact Elected Officials

I have also contacted **members of the Louisville Metro Council** and **Mayor Craig Greenberg** to report urgent matters affecting civil rights, disability access, and active litigation. My messages were sent using my primary email address (fouts.john@gmail.com before that account was unlawfully disabled without cause or due process via Google – fyi – my child's Gmail account was also wrongfully disabled).

Following these messages:

- My email address was **blocked or blacklisted** from further communications from all louisvilleky.gov domain email addresses.
- No follow-up was received – even when reporting via online forms.
- No redirection to appropriate assistance or referrals was provided.

This appears to constitute **First Amendment retaliation** and **deliberate indifference** to serious allegations of legal and constitutional violations.

---

3. Legal Rights and Statutory Protections Being Obstructed:

The refusal by police and elected officials to document or respond to my reports constitutes obstruction under, but not limited to, the following laws:

- **42 U.S.C. § 1983** – Deprivation of civil rights under color of law
- **42 U.S.C. § 1985** – Conspiracy to interfere with civil rights (KKK Act of 1871)
- **18 U.S.C. § 4** – Misprision of felony
- **18 U.S.C. § 241, 242** – Criminal deprivation of constitutional rights
- **Americans with Disabilities Act (ADA), Title II**
- **Section 504 of the Rehabilitation Act**
- **First Amendment** – Right to petition the government for redress of grievances
- **Fourteenth Amendment** – Equal protection under the law

---

4. Conclusion and Purpose of Affidavit

This affidavit is being submitted as part of multiple ongoing legal complaints and formal federal investigations, including but not limited to filings with:

- The U.S. Department of Justice (DOJ)
- The California Attorney General
- The Federal Trade Commission (FTC)
- The Department of Housing and Urban Development (HUD)
- My renters and auto insurance providers

This statement is also being maintained for the purposes of civil litigation, whistleblower protection, and digital forensics preservation. I remain displaced, disabled, and without access to justice, in violation of federally guaranteed rights.

I respectfully request that this affidavit be recognized as an official statement of record.
